Easy Set Bobbin

Simply drop your bobbin into the bobbin area, guide the thread through the channel and you're ready to sew without the need to pull up your bobbin thread.

Easy Reference Stitch Chart

These 30 built-in stitches, allow you to be creative with a variety of stitching applications – applique, cross stitch, pintucking, smocking, patchwork, fringing, buttonholes, darning, eyelet, blind hemming plus everyday sewing and more.

Innovative Needle Plate Markings

Seam markings, cornering guides and patented angle marks give you more sewing precision than ever.

Standard Accessories

A variety of accessories come standard with this machine, allowing you to start sewing immediately.

Foot pressure dial

Featuring 6 levels of pressure for all your sewing needs.

Protective Hard Carry Cover

The hard outer case protects the machine and is ideal for storage, plus the machine handle swings up which makes your machine easily portable.

Bright LED Lighting

Ultra-bright LED lighting illuminates the bed of the machine, providing a well-lit work area.
